

QUESTIONS PEOPLE ASK - THEMSELVES - AND WEB OWNERS

- Do You Need A Website?
- Do you need Internet Presence?
- If you have a web site, how to they know how to find you?
- You may ask yourself,
- *Why, have a website?*
- *Should I pay any money for it?*
- *What's the best way to get noticed?*

These questions are valid and reasonable.. And your options are many... within your choice.

Centerpiece-Presentations featuring **CP Network** has put the frame work together, and made it much simpler than searching the vastness of sites like YouTube and FaceBook, and other online free sources.. We don't discourage nor diminish the productivity of these sites, but we are a sight designed specifically for Professional people, in a Strictly Professional and Professionally Aspiring collection of A wide variety of Talent, for both Business and Entertainment, Industry and Production Units, both large and Small have access to our Site.

As the world expands and Talent is everywhere in all captions and layout,, having an online presence of some sort is almost a necessity, and it's adds to the ease of Agents and Scouts to locate you and see what you have to offer.

If you don't know a lot about the internet however, putting a website together (or even finding someone to do it for you!) can seem like a daunting task. That's why we've created Centerpiece-Presentations, and CP Network to give you some pointers about being online...

We are Fee Based, with a minimal monthly fee, that can be purchased per month, or 6 months to 1 year. We recommend a general membership of no less than 6 months. And we base our fee, to be less than some of the more popular social sites, but we consider it a small investment, for the presentation, presence within the Internet presentation, and dedicated to appeal to Industry, production Units, Organizations, and corporations, all of whom are continually seeking Talent and Professionalism.

You may ask yourself general questions, and if you choose other methods, it's as always the individual's choice of how they feel it's best to present them. And there are many sites that have no fee initially associated with their posting of your image. We cannot attest to what they provide and do not provide, nor what internal fees they have associated..

But what we do know, is in life, not much is free.. Nor does many things that appear free, result to be free. As it stands, no work is free, and all work carries a cost factor. We don't sell you're your info to telemarketers, and calling list for product

solicitation.

We provide the **CP Network**, as your means to self manage the Presentations of yourself; we offer you a combination, of Photo, video and voice within your presentations. We try to continually offer you link and display of relevant info, to help your pathway to success, We link to sites, that present good useful info, as well as we compile relevant and useful info within our data storage, you may access. We provide you Resume templates, of which you may create your Resume, and control whom you dispense it to.

Within our Network, you may communicate with other members, We do ask that you **Join the group, within " CP Network " which denotes your talent or business profession**, or within the Group, which your availability to provide a professional business or talent service. is best suited for ease connection to you.

You may freely post your Email: address, but we recommend you do not post direct access phone numbers, or your complete mailing address.. If you need to set up, a e-mail specifically to reference your profiles, you may use one of the "free mail" sites, as we may at a later date, offer e-mails to our members, at this time we do no offer that option.

This affords the user's to locate you with ease.

Other benefits within Centerpiece-Presentations and CP network, if the ability to blog, and use Message boards, to share thoughts, ideas and to communicate about the process, step and stage within and thru the realisms of success and the pursuit of success.

You can contact members, and build teams, develop projects among members, and many many creative benefits that talent can aspire to associate and communicate about. Business and Corporate Professionals, have the ability to share information about professional aspirations, for those who travel, and need guides and professional assistance, work space, secretarial and other services.

We aim to bring the tools and connections into a professional community environment, where like minds and professional aspiring individuals can be part of a community that supports and provides the connections unto all aspects of the elements which go into finding success.

Question 1: Do I need a website?

The answer to this really depends on your aspired aims, the connectivity you seek, and the multiple manner to display and present yourself, to meet with your expectations, in the pursuits of success and engaging other successful aspiring individuals. And to be in a centralized structure, where the scouts for a wide variety of talent may come, and locate you with ease. **Centerpiece-Presentations / CP Network**, You have your:

- Pictures,
- Video
- Audio
- Data about yourself
- Communication with other members

- Employers, agents etc are actively looking for talent... and **CP Network**, help simplify their search. And provide them with a wide range of options of presentations to choose.

Being a member of Centerpiece-Presentations - and featuring yourself in CP Network, you are party of A Community of Professionals. .. Within a specifically designed Professional Community Network.

You will find many who show you many reason, for and against a paid service, and some may direct many to build their own, and those things are without questions, options available to you..

But also along with that, comes many other things, the design, the web hosting, or being one in the middle of a sea of variables within a general public non specific network.

Next will come your promotional fees and investment needed to contact and seek to get the agencies to take the time to come and look, all of which is attainable and possible, and it's your choice of option, how you feel it's best to approach the matter.

There are hundreds of free program and options available for Internet presence..

We offer to you, what we feel is *A Great Avenue*, within a Network of Professionals, making a Community, with Professional aspiration, and the team natured environment to contact and associate, collaborate and communicate.. While at the same time bringing you a wide collection of aspiring professionals with the equal dedication to succeed as you possess.

We seek out and invite, Professional people who are recruiters of a wide range to come to our site, and we provide them the accessibility to seek and find the talent which best suits their goals..

At any Moment, it could be You, whom is the chosen.. and find the pathway throught projects which present your greatest gifts as Centerpiece-Presentations... of your Talents and Skills.

why cost are
truthfully, ... because

COST ARE MANY.. THRU VARIOUS MEANS... and it depends on the purpose and goals of the site, what it provides and how it provides it.

- THE TIME IT TAKES TO BUILD A SITE
- THE INVESTMENT NEEDED TO HOST A SITE
- THE SOFTWARE THAT IS WITHIN THE SITE
- THE WORK TO KEEP A SITE UPDATED
- WHAT ARE THE PROMOTIONAL COST
- WHAT IS THE BANDWIDTH EXPENSE
- WHAT DOES IT TAKE TO ADDRESS ISSUES
- HOW MUCH TIME IS SPENT ANSWERING MAIL

· HOW MUCH IS SPENT TO FIND AND GATHER BUSINESS SUPPORT AND PARTICIPATION

· AND THE LIST CAN GO ON AND ON..

· It depends on the site and how it is set up and what it includes.

· It also is much of relevancy to the aspiration of the site, it's goals and it's benefits for it's members

· And the whole of everything... it is true that nothing is free...

· We push no illusion, nor do we seek delusions.. there are cost associated with the structure and providing of this site, therefore it is a fee based internet provision.

We aim to present professionals and aspiring professionals to the business and organizations that seek and utilize and acquire talent, for the business, we offer to them a platform in as professional community structured site, to come and seek, preview, and contact and acquire the talent they desire, thru the presentations of individuals, committed to achieve excellence and care to invest in their self promotion to achieve their goals.

SOME sites, sell the data of their members, to mailing list business, some use advertising within thier site to support it's expense, and some use a host of means to support it's site, and those variables continue to expand daily with the new elements that are involved within the internet experience..

We have no interest in selling a member list to any mail list business.

We care to be a business, in the business of people presentation, through their self designed pages within our network, to present and denote their professional skill, ability, talent and service.. where business and professional organization may have a distinct network to pursue, survey and acquire their desired talent.

We aspire to be a network, where opportunity can engage individuals and individuals can connect and engage opportunity.

people can colloborate, they can build teams, communicate and share knowledge and information, and all the things that goes into the quality engagment of Networking... as a means and avenue to seek, pursue and engage success building opportunities.

We are not seeking to be like any other site, but not to be without some of the attributes which others offer.

We aim to continue to expand our tools and options to include new and innovative ways for our members to reach within an ever expanding broader array of networking capabilities.

as well, we are dedicated to grow with your expanding needs, your progressive wants and what the technology offers for progressive networking to aid your continuing success.
